Dear Parents, Students and Community members,

It is great to be back amongst the OLC community. It seems I may have managed to bring the sunshine back with me as well!. We travelled around the Pilbara on our trip with the highlights being visits to Karijini and Coral Bay.

I have really appreciated the warm welcome from the staff and families I have encountered since my return. The children were excited to see me on Monday which was a really pleasant surprise and much appreciated.

### **Leadership in My Absence**

I would like to thank Adrian for his most capable leadership in my absence. I tried to keep away from my emails whilst on my break, but I did read the newsletter each week. It was interesting to see just how much happens in our school in a week. When you are immersed in the operations of the school, it all becomes somewhat routine without a full appreciation of the many wonderful experiences the students at our school enjoy.

My thanks also to our other leadership team members, Amie Meyer and Julie Birch for their leadership and support of everything happening in the school. As always, Fran Marrell and Sandra O'Leary made sure everything was well organised administratively.

I am fortunate to work with such dedicated and professional teachers and education assistants so that the school operates unchanged when I am away.

## **School Production – “The Little Mermaid”**

The production team are busy under the leadership of Mrs Horrocks preparing the students for the production, which is only a little over a week away. Tickets are selling quickly, so please spread the word amongst family and friends.

Once again, we have an amazing backdrop, thanks to the considerable artistic skills and much hard work from Chantal Baxter. Mike and Georgie Valmadre have built King Tristan's most impressive chair and Sherylee Tutt and Tami Miles (ex parent) have been at the school for many days recently organising the costumes. Thanks to all of these community members for your much appreciated contributions.

## **Father's Day Breakfast**

Please get your RSVPs in to help with catering for this event.

The P&F are looking for volunteers for the annual Father's Day breakfast. This will be a P&F event on the 1<sup>st</sup> September. Please contact your class representative if you can help out with cooking, serving or otherwise.

I would like to thank Ben Huxtable and his P&F executive team on their wonderful work so far this year in communicating to the community, fundraising and “friend-raising”. The P&F are doing a stellar job in continuing to strengthen our already wonderful school community.

## **Phone Calls from OLC**

Please ensure that if you have had a phone call from the school, you check your messages first before ringing back. As we have many phones in the school, it is difficult for admin staff to ascertain where the call was placed from, and the staff member calling would leave a message if they needed you to return the call.

Thank you for your support.

## COMMUNITY NEWS

### Important information regarding your child's CDF Student Passbook Accounts

Today's students live in a high-tech world. Coins, notes & paper passbook accounts have become 'tap & go' and App based mobile payments. Alongside this rapid technological change the Catholic Development Fund is facing a more rigorous Government regulatory environment. Joining with other CDF's across Australia in a new CDF Community Fund they are committed to continuing to provide savings offerings for students.

They are now offering students a 31 Day Mission Student Saver Account. This new wholly online savings account is for pre-school, primary and secondary school students.

Students can earn **bonus interest** for regular savings (currently up to a total amount possible of **2.35% p.a**). They can also feel really good that their money, pooled with the money of other students, is being used to support the growth of the Church by building new schools, parishes, hospitals and aged care facilities.

The CDF are asking for your support to transition your child now to the new 31 Day Mission Saver. Go to [www.cdfcommunityfund.org.au/students](http://www.cdfcommunityfund.org.au/students) and fill out the form (tick 'existing student'). Please note an adult will need to be the 'authoriser' on the account and will need to fill out the application form and upload "ID" as part of the process due to changes in Government regulations.

The traditional CDF School passbook savings accounts will be discontinued at the end of Term 3 on 22 September, 2017. CDF will be contact all account holders regarding a process of transitioning to the new 31 Day Mission Saver account.

Any questions please contact CDF on Tel: 1800 016 702 or visit [www.cdfcommunityfund.org.au](http://www.cdfcommunityfund.org.au)
