Dear Parents, Students and Community Members,
I hope everyone had a wonderful Easter with your family and friends. Our newsletter this week is an abbreviated one due to the short week. It will be followed next week by the last newsletter for the term.

I would also like to welcome our new family to the school, Olivia De Angelis (Y5) and her parents, Kim Rosenfeld and Fabrizio De Angelis.

A reminder of the OLC Family Yoga Fundraiser, which has been generously organised by Heather Starr. Please support this event and tell all your friends. More info later in the newsletter.

Prayers for Jenny Hansen

Please keep Jenny in your prayers as she has been in ICU with pneumonia. Sadly, the doctor has advised her not to continue her volunteer work at OLC. We have been very blessed to have Jenny's support in listening to the children read and she is much loved by all the children. We wish her a speedy recovery and all the best for the future.

Kitchen Garden

This afternoon the year six students planted some vegetables in the kitchen garden ready for use in the canteen, at stalls before assembly and even to donate to St Vincent de Paul if we have enough. Mr Jones has an interest in sustainability and is going to act as the school liaison person on the staff, along with Mrs Annert, to involve the students in this initiative.

Sally Gray has been the coordinator of the Kitchen Garden Committee over the last couple of years and has organised the order of the seedlings for today which were donated by Bunnings.

Sally is now not in a position to donate as much of her time, so we are looking for a Coordinator, or a Coordinating Committee, to guide the plantings, care and harvesting of the produce. Sally will still be available for support to guide the work, but we really need someone with an interest in gardening to take over.

With the guidance of Mr Jones, the year six Environment Portfolio leaders will be helping each week, or as needed, with the general upkeep of the garden. We also have some other plans for short busy bees after school when necessary to avoid the need for weekend busy bees.

Please spread the word and encourage any contacts you may who might be interested in helping to contact the school.

School Uniforms to Start Term Two

We will be moving to winter uniforms in second term, but we allow two weeks of transition depending on the weather. If everyone could please be organised for the correct winter uniform by the start of week three of next term. The uniform shop is open Wednesday 8.30am – 9.00am. Second hand items can be purchased any time – please call in at the office for the key.

God bless,

Des Wilkie

Dear Parents,

As a celebration of the Commonwealth Games, I will be holding a **FUN 'OLC Commonwealth Games Day'**. This will involve students from Pre Primary to Year 6. There will be two separate days held on the student's normal sport days (Wednesday: Year 3 – 6) (Thursday: PP – Y2).

The students may dress in the colours of their chosen Commonwealth Country. This is a "just for fun" day. I ask that they wear their running shoes and bring school hat on this day.

Retiring volunteer a true friend of Peron Reserve

AFTER 20 years as the chair of the Friends of Peron Reserve, Mary Hughes is stepping down from the volunteer position.

One of the highlights for Mrs Hughes has been the work she has done with Our

Lady of the Cape Primary School in Dunsborough for the past 18 years.

Once a year in March, Mrs Hughes accompanies the school's Year 6 students to the reserve and leads them in rehabilitation work, in-

cluding resealing the viewing platform.

Due to her love of working with the students, Mrs Hughes will maintain her relationship with the school.

Mrs Hughes said she enjoyed taking the students

out of the classroom and teaching them about their surrounding environment.

"It is important for the children to understand how you have to look after nature and not half do it, you have to follow it through," she said.

"That's why I will still continue once a year with the school.

"The students are so delightful and are at an age where they can really understand the work they are doing."

Jemma has put together a program that includes a trip to the Movies, skate time, cooking corn fritters and scones, fun sports, origami and a day at Yallingup Maze.
