*Our Lady of the Cape Primary School is a community where each child is valued as an individual and nurtured spiritually, by many hearts working together as one voice to fulfil their overall potential.*

A PRAYER FOR OUR EASTERN STATES FARMERS.

A Prayer Great Spirit, we pray  
for an end to the drought  
and the arrival of rain  
to soothe and replenish  
the dry and parched land.

We pray for wet weather  
to drench the earth,  
to bring new life to seeds,  
and to insure a good harvest.

We are saddened by the  
the cracking of the ground,  
the spread of destructive wildfires,  
and the resulting deaths  
of crops and wild animals.

We pray for patience  
to endure this drought siege  
as we wait for rain  
to refresh and renew  
our lives and livelihoods.

We are so grateful  
for the life-saving  
capacities of rain,  
and pray that we never  
take water for granted.

Dear Parents, Students and Community Members,

What an exciting week we have had. Our production, Jungle Book, is really taking shape with the first dress rehearsal completed on Wednesday and a further rehearsal today. It is an enormous task to have all sixty students in high quality costumes. This is achieved each year as a result of many hours of expertise from Tammie Miles (an ex-parent of OLC) and Sherylee Tutt. Mrs Horrocks expertly coordinates the huge number of volunteers and guides the students to perform at an exceptional level.

The Matinee will happen on Tuesday 11<sup>th</sup> September at 1pm. This year there are two evening performances at 7pm on Thursday 13<sup>th</sup> September and Friday 14<sup>th</sup> September. Please see flyer elsewhere in the newsletter for ticketing arrangements.

At the same time, Mrs Sinclair has managed to fit the Faction Jumps between showers and in some difficult conditions. Thanks and congratulations to all the students for being so cooperative and understanding of all the schedule changes. Thanks also to our parent helpers who have accommodated all the changes. Well done to the students who have received a place so far in the jumps.

### Book Week

The response to Book Week is exceptional at OLC. All students and staff enter into the spirit of the day and dress up. The children had a wonderful day with books coming to life. This year we also had a visiting author speak with the children, which really helps develop the writing skills and creativity of the students. Thanks to Mrs Meyer for organising the day and to all parents (and staff) for putting so much effort into the costumes. **Mrs Meyer's role as the M.C. was hugely entertaining and engaging for the students, staff and parents.** Literature and literacy are both alive and well at OLC with everyone celebrating and enjoying books.

### Uniform Standards

We all work hard to maintain uniform standards in our school. On days of formal uniform the children must wear traditional school shoes with leather uppers and not fashion shoes or black jogger type shoes. The other area where we need consistency is with the colour of joggers worn. The joggers need to be predominately black, grey or white runner or cross-trainer style of shoes. Multi-colour, fluoro or skate style shoes (or fluoro laces) are not acceptable. Please see attachment which outlines requirements clearly using illustrations with images.

I look forward to continued support from families so that we can uphold our uniform standards.

### International Education Assistant Week

The community of our school are very fortunate to have Education Assistants who are active educators, as well as general assistants. The impressive rate of improvement in learning in our school is partly due to the guidance and contributions of our EAs. We think of them as educators who are the **fourth link in the chain between students, teachers and parents.** Our EA's work well above expectations and are involved in Professional Development and planning alongside the teachers.

My thanks to the Education Assistants on behalf of all at OLC for all your contributions, professionalism and commitment. May our EAs **all enjoy International Education Assistants' Week.** It is very pleasing that the contributions of EAs are being recognised throughout the world.

### **Father's Day Breakfast**

Thanks again to our P&F volunteers who have put so much time and effort in organising the breakfast. This is an opportunity for the staff and students to recognise the contribution of the Dads (and Grandads) in their families, school and community. We have over 180 adults and children attending tomorrow.

God Bless,

Des Wilkie, Principal

Learning Journeys 2019 - Monday Week 10, 17<sup>th</sup> September 3:30pm – 5:00pm

This year the Learning Journeys will have an “open class” approach for years PP-Year 6.

The session will run from 3:30pm – 5:00pm in each classroom.

Teachers will have examples of student’s learning on display, in work books and as interactive activities.

This is a formal assessment scheduled event and is a great way to see your child’s progress and the way they learn in class.

Please avoid any detailed conversation with teachers about your child’s learning, however feel free to arrange an appointment with the classroom teacher should you want further discussion.

We hope to see you and your child at this year’s Learning Journeys, celebrating their year of learning.

Adrian Torrese,  
Assistant Principal

## BOOK WEEK CELEBRATIONS

Today we celebrated Book Week with an incursion by Author D.C. Green followed by a whole school dress up parade and quiz.

D.C. shared some great tips for being an awesome writer, including the fact that he edits his stories many, many times before he is happy with the final product. He encouraged the

students to be creative, to start with a goal for the main character in mind and to sprinkle humour throughout their stories to keep the audience interested. Our dress up parade was full of characters, from the sweetest to the scariest! We also got to show off some pretty impressive dance moves between answering questions about the books that had been nominated for the CBCA book awards this year.

All in all, a fun morning promoting books and reading was had by all. Many thanks parents for the creativity and effort that went into the amazing costumes, and to our staff who joined in the spirit of the day!

## CATHOLIC COMMUNITY CORNER YEAR 3 RECONCILIATION

The students in Year 3 are in the initial stages of preparing to receive the Sacrament of Reconciliation in Term 4. The Sacrament of Reconciliation, also called penance or confession, is a way for people to be forgiven of their sins, or things they do wrong. They are reconciled, or brought closer to God. This sacrament heals their soul because all of their sins are taken away. The Year 3 students will participate in a workshop with their parents to develop their understanding of the Sacrament over the coming week. Year 3D will participate in their workshop at 5.00pm on Wednesday the 5<sup>th</sup> September and Year 3M will have their Workshop at 5.00pm on Thursday the 6<sup>th</sup> September. These workshops are an **important time of sharing in your child's spiritual development**, and we look forward to seeing everyone there. Following the workshops the students and their parents will participate in an enrolment mass at Our Lady of the Southern Cross church on Saturday the 8<sup>th</sup> September at 6.00pm. This will also be the celebration of the Year 3 family mass and pizza will be shared by the students and their families afterwards. We would love to see you there.

## WHOLE SCHOOL MASS POSTPONED

Year 3M was due to host a whole school mass next Friday the 7<sup>th</sup> of September, however due to the rescheduling of the OLC Sports Carnival, this event will now take place at a later date TBC. Apologies for any inconvenience.

## MAKING JESUS REAL

Our school embraces the Making Jesus Real (MJR) programme, although, it is less of a programme and more of a way of life. We seek to look for Jesus in ourselves and those around us. We want to foster a relationship with Jesus that is real and relevant to our daily lives.

We believe that we are the image of Jesus to those around us. We are Jesus' representatives and our actions should reflect his values. Jesus taught that we are part of his family and the way we treat other people should be the same way we would treat Jesus if he was standing next to us. We strive for the values of Compassion, Appreciation, Respect and Excellence.

MJR has a simple message - Jesus is part of our lives and can change the way we live and we can make Jesus live through our actions and words. An important aspect of MJR is learning how to recognise God Moments in encounters with our friends, a cheerful greeting using a person's name, a smile, a wink of encouragement, an offer of a helping hand, or an unexpected compliment. MJR leads us to be 'winners and grinners' rather than 'moaners and groaners', to look for the positives in each day and to be sure to let others know how much we appreciate them in our lives. Each week children are nominated for demonstrating these "Spirit of Jesus moments" and 5 are selected to take home a "Cape Crusader" for the week which they carry everywhere as a reminder to always live like Jesus. As this goes to print this weeks MJR recipients have yet to be drawn. Stay tuned next week for this weeks MJR recipients.

God bless everyone and have a great week.

*Mrs. Amie Meyer, OLC Religious Education Coordinator*

<b>Thursday 6 September</b> (Jumps)				
9.00am: <b>Year 3D</b>	9.40am: <b>Year 3M</b>			
<b>Friday 7 September</b> (Carnival) 9.30am				

The Athletics Carnival next Friday 7<sup>th</sup> September, will start at 9.30am and will run until approximately 2pm.

Please come and "Scream for your Team" and enjoy the day. To help with the organisation and smooth running of the day, please read the information included below.

- Students are to wear their sports uniform with their faction coloured t-shirt. Faction coloured mascots may be brought to decorate faction bays.
- Parents are asked to sit on the car park side of the track in the area designated by the bunting.
- Due to the large a number of students in a confined space, parents are asked not to visit the faction bays while the carnival is in progress.
- Siblings are not to visit the faction bays or play on the track during the events as this can distract participants and cause confusion in the bays.
- **Please don't allow the small children to play with the bunting as it can be easily damaged.**
- Students will need to take their bags with them to the oval so they can have drinks, morning tea and lunch.
- Please sunscreen your child before they leave home in the morning. Extra screen will be available in the faction bays.
- Parents may take their children straight home after the sports if they wish. Please inform your child's class teacher if you are taking your child home early, by completing the form following and ensuring you see the teacher at the end of the carnival to mark them off the roll.
- **No one is to go into the area at the finish line, as this can be very disruptive for the officials. Please do not try to take photographs or videos in this area.**
- There will be a parents' and faction captains' leader ball event at the end of the sports. Each faction will need eight parents in the team. Start practicing your throwing and catching now!
- The **programme for next Friday's sports carnival will be posted by Thursday 6<sup>th</sup> September** on our website.
- We would also like to very much thank the parents who have helped out so far, especially with the inclement weather.

*See you next Friday. Mandy Sinclair, Sport Teacher*

I will be taking my child \_\_\_\_\_ in

Year \_\_\_\_\_ from OLC after the Sports Carnival on Friday, 7<sup>th</sup> September 2018.

## Early Childhood Corner

Next week it is **International Education Assistant Week** and we will be taking time to thank our wonderful Education Assistants for all of their hard work and dedication.

The roles of our EA's are many and varied. In one day they may prepare materials for lessons, teach individuals and groups of children, guide children through meaningful play scenarios, tend to sick or unhappy children, communicate with parents, create learning centres and assembly props... and so the list goes on. All of these tasks are done efficiently and professionally.

Importantly their communications with their students are meaningful and sincere. It is often our EA's that see a child in need and act to ensure that each individual's wellbeing is catered for.

Please take the time to thank your children's classroom EAs this week as I am sure that they have made your child's day a better one at some stage.

Julie Birch  
Early Childhood Coordinator.
