

## SCHOOL UNIFORM POLICY

Reviewed: 2016  
Year for Review: 2018

### **RATIONALE**

A uniform dress code reinforces in students a pride in their own appearance, instills recognition of themselves as an integral part of the Our Lady of the Cape Primary School community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of our uniform policy.

### **PURPOSE**

The wearing of school uniform is essential to:

1. Develop and promote the school's values, identity, tone and spirit and to provide a positive image in the community.
2. Promote within the students a sense of pride and school identity and enhance the supervision and safety on excursions.
3. Provide an opportunity for parents and staff to instil in the students a sense of pride in their appearance.
4. Provide clothing that is practicable, presentable and affordable.
5. Eliminate peer group pressure to wear less appropriate clothing to school.

### **GUIDELINES**

- The Administration Team will implement the approved uniform policy and, in doing so, may grant exemption to a child from wearing part of the uniform for a designated period of time.
- An explanatory note from parents is required to be sent to the Classroom Teacher/Principal/Assistant Principal if a child is not wearing the correct school uniform.
- Dates of change for summer/winter uniform shall be determined by the Principal and shall recognise seasonal factors. These dates will be communicated via the newsletter or an email.
- On nominated days designated by the school, (for example whole school excursions, school photo day) parents may receive written notification from the school requesting that students all wear the full summer or winter uniform.
- Our Lady of the Cape Primary School implemented regulation school bags which became compulsory for all students in Pre-Primary and Year One at the start of the 2014 school year. This requirement will extend to all grades by 2019.
- If students are in public places while in school uniform, (e.g. shopping after school) the full, correct uniform must be worn.
- The school uniform shop provides a service for parents by stocking all items of approved school uniform, except for shoes and sport shoes.
- All members of the school staff are conscious of their role in implementing this policy by setting an example in their grooming and appropriateness of dress; and by ensuring that students are neatly attired in correct school uniform when participating in any school activity.

## IMPLEMENTATION

The school uniform is to be worn as seasonally indicated. Summer uniform to be worn by all students during Term 1 and 4. Winter uniform to be worn by all students during Term 2 and 3. On certain days, e.g. School Photos, School Sports specific uniform may be designated at the Principal's discretion.

- All items of uniform should be purchased from the uniform shop at Our Lady of the Cape Primary School.
- Students are also required to supply an art smock and library bag.
- Free Dress Days will be approved as appropriate by the Principal. On these days students need to wear appropriate clothing to participate safely and appropriately in the school day.
